

## **SUPPORT FOR SMALL BUSINESS EFFICIENCY ACT OF 2011 (H.R. 2466) CONTINUES TO GROW**

**MELVILLE, NY, November 18, 2011** – Prestige COO and Principal Brian J. Lehmann commended Paul Tonko (D-NY) and William Owens (D-NY) for supporting the Small Business Efficiency Act of 2011 (H.R. 2466). Mr. Lehmann also acknowledged Representatives Kevin Brady (R-TX), Wally Herger (R-CA), Sam Johnson (R-TX), Erik Paulsen (R -MN), Ted Poe (R-TX), Mike Thompson (D-CA), and Allen West (R-FL), for their support of the Small Business Efficiency Act.

“In a true demonstration of bipartisanship, these members recognize the significant role that small business plays in job creation and, ultimately, our country’s economic growth,” said Lehmann.

Supporters of the Small Business Efficiency Act hope to provide administrative relief to America’s small businesses through the provision of a Federal safe harbor statute for small businesses to use “certified” Professional Employer Organizations (PEOs). Professional employer organizations provide cost-effective human resources, payroll and benefits solutions to small businesses.

“By providing this broad array of services, it enables our clients to concentrate on their core business without the challenges and distractions associated with the ‘business of employment’,” said Lehmann.
